

***PalmPay***<sub>v2</sub>

*Whitepaper v 3.0*

*\$Palm interested in providing the best premium products in the global markets in terms of quality and safety , so we build our coin on Binance chain , because It combines two important advantages: First, it solves the problem of expensive transactions, and it allows users to use Ethereum applications such as the MetaMask wallet.*

*Programmers can use Ethereum's code when working with Binance Smart Chain as well*

**BSC Contract** `0xF85BE0902a16fb87D447021d6e4517000b38a15087d`

# What's PALMPAY?

## WHAT'S THE AIM OF MAKING IT?

## Exchange or Return policy

You have the right to exchange or return the merchandise purchased from PalmPAY within 14 days from the date of purchase if the following conditions are met: That the goods to be returned or exchanged have a manufacturing defect that cannot be repaired without compromising the quality of the goods, or the goods are fraudulent, counterfeit, defective, or do not conform to the specifications mentioned on the [Palmpaycoin.com](http://Palmpaycoin.com) website. The goods should be in box and in the same condition at the time of purchase with all accessories. The merchandise must be in good condition and presentable (except for the merchandise in which a manufacturing defect was found, fraudulent or counterfeit). Food (unless it has expired at the time of delivery) and personal products (including but not limited to hair removal devices, razors, swimwear, underwear, newspapers, magazines, hygiene products, toothbrushes, hair dryers, etc.) are not eligible for returns or exchanges. You have the right, dear customer, to receive the price of the returned merchandise in the same way it was paid. You have the right, dear customer, to receive the price of the goods that have been returned in full, and you will not deduct any kind of fees from the refund amount. You have the right to receive the price of the returned merchandise within ten days from the date of accepting the return of the merchandise. You have the right, to replace the purchased goods within 14 days from the date of purchase, provided that the goods are in the original packaging, unused and with all its accessories, and we offer you a coupon for the value of the replaced goods for your purchase of any goods from [Palmpaycoin.com](http://Palmpaycoin.com).

## Delivery Policy

Orders will be delivered according to the delivery method you choose. We provide several delivery methods so that you can choose the method that suits you (normal delivery within 5 hours, immediate delivery within two hours, or delivery at the specific times that you choose during the purchase process.) Upon order delivery, you will receive a copy of purchase invoice as confirmation that you have received the products in full as indicated on the invoice. If you are not at the specified address, we will deliver the order to any person present in it, and when any of those in the address on the delivery request is delivered, the customer shall be deemed to have received the items on the invoice

---

If the address specified by you has been reached and we cannot deliver the order, please contact customer service to schedule another date for the delivery of the order. The company is not responsible for any order not delivered within 30 days from the date of the order.

## DISCLAIMER

IF YOU HAVE ANY DOUBTS AS TO WHAT ACTIONS YOU SHOULD TAKE, WE RECOMMEND THAT YOU CONSULT WITH YOUR LEGAL, FINANCIAL, TAX OR OTHER PROFESSIONAL ADVISOR(S). No part of this Whitepaper is to be reproduced, distributed or disseminated without including this section.

The sole purpose of this Whitepaper is to present tokens to potential token holders. The information is provided for INFORMATION PURPOSES only .

It may not be exhaustive and doesn't imply any elements of a contractual relationship or obligations. Despite the fact that we make every effort to ensure the accuracy, up to date and relevance of any material in this Whitepaper, this document and materials contained herein are not professional advice and in no way constitutes the provision of professional advice of any kind .

Further, Project reserves the right to modify or update this Whitepaper and information contained herein, at any moment and without notice. To the maximum extent permitted by any applicable laws, regulations and rules, Project doesn't guarantee and doesn't accept legal responsibility of any nature, for any indirect, special, incidental, consequential or other losses of any kind, in tort, contract or otherwise (including but not limited to loss of revenue, income or profits, and loss of use or data), arising from or related to the accuracy, reliability, relevance or completeness of any material contained in this Whitepaper .

Further, Project does not make or purport to make, and hereby disclaims, any representation, warranty or undertaking in any form whatsoever to any entity, person, or authority, including any representation, warranty or undertaking in relation to the truth, accuracy and completeness of any of the information set out in this Whitepaper. You should contact relevant independent professional advisors before relying or making any commitments or transactions based on the material published in this Whitepaper.

You don't have the right and shouldn't buy tokens if you are a citizen or resident (tax or otherwise) of any country or territory where transactions with digital tokens and/or digital currencies are prohibited or in any other manner restricted by applicable laws. ("Person" is generally defined as a natural person residing in the relevant state or any entity organized or incorporated under the laws of the relevant state). Purchased tokens cannot be offered or distributed as well as cannot be resold or otherwise alienated by their holders to mentioned persons. It is your sole responsibility to establish, by consulting (if necessary) your legal, tax, accounting or other professional advisors, what requirements and limitations, if any, apply to your particular jurisdiction, and ensure that you have observed and complied with all restrictions, at your own expense and without liability to Project.

**Tokens PALM are not and will not be intended to constitute securities, digital currency, commodity, or any other kind of financial instrument and have not been registered under relevant securities regulations, including the securities laws of any jurisdiction in which a potential token holder is a resident .**

**This Whitepaper is not a prospectus or a proposal, and its purpose is not to serve as a securities offer or request for investments in the form of securities in any jurisdiction. However, in spite of the above, legislation of certain jurisdictions may, now or in future, recognize PALM tokens as securities.**

**Project does not accept any liability for such recognition and/or any legal and other consequences of such recognition for potential owners of PALM tokens, nor provide any opinions or advice regarding the acquisition, sale or other operations with PALM tokens, and the fact of the provision of this Whitepaper doesn't form the basis or should not be relied upon in matters related to the conclusion of contracts or acceptance investment decisions .**
